

ACTIVITY THREE: CONSTRUCTING QUESTIONS

The teacher should display the 3 Cs- Clear, Concise, and Correct.

Pupils then use the 5 question words to construct questions relating to news writing e.g 'Why is it important to be concise?' 'How can you ensure you're correct?'

Watch Huw's video- the pupils then have to explain the content in the video as they would to a friend or a younger sibling/child

Did their mini report cover impartiality and the 3 Cs?

Extension Activity:

Pupils are given a list of the BBC's core values along with a diamond 9 template. They can cut out the squares and then discuss with each other the rank order in terms of importance.
