Now design your own real receipt.

Things to include:

- Trusted shop name and logo.
- Correct date and amount.
- Contact details.

TOP TIP: Don't include any of your own contact details. Keep them safe.

CHALLENGE 2

TOP TIP: Don't give away any personal information.

Use the  to cross out the phishing questions and then answer the fun ones!

Phishy or Not?

1. Which other BBC programme does Joel present?

4. Can you list three green fruits?

2. What street do you live on?

5. Which month is your birthday?

3. Can you name a famous magician?

6. What's your name?

Use the Ⓐ to match good offers to the green flag and too-good-to-be-true offers to the red flag.

FINAL CHALLENGE

Create your own scam safe motto.

Two red-outlined banners are provided for writing a scam safe motto. The top banner is a simple rectangle with a pointed left side. The bottom banner is a longer, more complex shape with a pointed left side and a small notch on the right side.

Use this space
to make notes.

A piece of white lined paper with horizontal lines is attached to the right side of the main paper. It has a torn bottom edge.
