

# Ring the bells of London

Ring the bells of London  
So the air fills with wonder!

From tower and steeple  
Ring to call to the people

After burnt homes and pity  
We shall build a new city

After sadness and sorrow  
Make a better tomorrow

Yes, hark to the ringing  
And let's join in with singing!

Ring the bells all  
Say the bells of St Paul's!

*Ring all those bells  
Let's rebuild London Town!*
