

Make a mosaic

Make a mosaic,
Join up the pieces,
Pattern or picture,
Creature or face,
Such a creation!
And such tessellation!
Yes, make a mosaic,
Find the right place...

Strike up the lyre,
Strings of Apollo,
Sound out the rhythms,
Make melody,
Join in with singing,
And tambourines ringing,
Combine to make music,
Sweet harmony!

Pottery, sculpture,
Metalwork, glassware,
Fabrics and jewellery,
Join up each part,
Altogether they make
Such a mosaic!
Yes, creative patterns,
Crafted with art!

Make a mosaic...

Make a mosaic...

Make a mosaic...

MAKE A MOSAIC!
