

Listening to safety instructions

Listen to the first few seconds of the audio clip **Safety instructions** and then have a go at answering these questions:

1. Who is the speaker? _____
2. What is the situation? _____
3. What is the audience? _____

You need to concentrate quite hard when listening to a long set of instructions. It helps if you can predict in advance what you might be going to hear.

Make a list below of all the topics you think might be included in the talk.

There are about nine different topics.

You could talk with a friend to try to predict what they might be.

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____
9. _____

Now listen to the whole audio clip to check your predictions.
