

Security on the ward: listening for information

Listen to the audio clip **Security on the ward** and answer the questions as fully as you can.

1. What will your manager do if you come onto the ward without your ID?

2. Why should you take care with your apron?

3. If you haven't got your ID with you what should you do?

4. Why should all staff wear a uniform and carry their ID?

5. What have you just heard?

- a. A manager telling someone off.
- b. Instructions about what to do in an emergency.
- c. A report at the end of a shift.
- d. An explanation of how security is maintained on a hospital ward.

6. This wasn't in the audio clip, but why do you think that security is so important on the ward?
