## Creating a bar chart

Using the tally chart below, create a bar chart that shows the goals scored by players in the Hornets football team.

Goals scored by 'Hornet' players this season:

Name	Tally	Frequency
Matthews	卌 ‖	7
Barnaby	‖‖‖	4
Johnson	‖‖‖	4
Evans	‖	2
Singh	‖‖	3
	Total:	**20**

Remember your chart will need:

- **title**
- **labels** along the **horizontal axis**
- **label** on the **vertical axis**
- suitable **scale**
- to look good - you may want to use **colour** to make the bars stand out or make sure that you use a ruler to draw the bars
