

Amber

Amber, I'll tell you a secret
everyone gets scared
of something.
That's human
doesn't make you different or weird
because you have things that you fear
makes you the biggest miracle in the world
because you feel.

Every door is a path to a new adventure
fear will have you never turning the handle
never walking through
never building the foundations of YOU.

Memories and moments
making new friends like Ava
keeping old ones like Meero
safe and sound
because he was one of your first heroes

I can feel the tears rolling too
because I'm looking and I'm so proud of you
life is good when you are on top of the world
breathe, take it all in
looking at the beach and the sea
understanding you're a miracle
you are enough
just the way you are
With your tears and laughs
You're overcoming fears
and doorways to different paths.
