

# KS2 Maths: Metric and imperial measurements

In the UK, we have two commonly used measurement systems, metric and imperial.

Draw lines to connect each unit of measurement below to the correct system: metric or imperial.

**kilometres**

**miles**

**litres**

**ounces**

**centimetres**

**metres**

**stones**

**feet**

**millilitres**

**inches**

**kilometres**

**pints**
