

Will

I know
Things at home aren't that great
Dad got a lot, juggling on his plate
Since he lost his job
He's trying to hide the tears when he sobs
Mum's masking it too
But you know it's true
That they just want what's best for you
They want to give you the world

But, it's not on you
Bless you for thinking this is something
You had to do
So, let's take a moment to actually think
because stealing isn't your go to instinct

So ask yourself
Will your actions really help?
Or create more stress
Will what you've done just add to the mess
Think about what will come next
Admitting or hiding

The choice is with you
But I think we both know
what it is you need to do.
