Magic - Figurenotes Open Score

Take a look at the [Introducing Figurenotes Booklet](#) if you're new to Figurenotes or need a refresher.

Contents:

- Stage 1
- Stage 2
- Stage 3

Use the parts that suit your learner best. Some dynamics and other markings have been omitted in earlier stages. This allows you to tailor this information in the most appropriate way for your learner. You could use text, symbols, images, explanation, or listening.

Please refer to the main score for guidance on instrumentation, structure, and repeats.
