Follow the line activities

Use a finger to go around the circles on the page.
Put your hand over your child's hand, show them
how to follow the line all the way around.

Look for shapes
and lines

Can you try
tracing over the
shapes with a spoon
or a crayon?

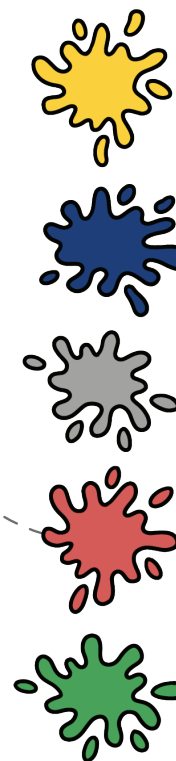

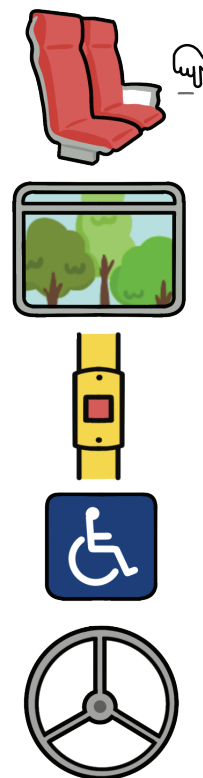

Can you spot
any more circles
or other shapes
around you?

TOP TIP!
Look out for
maps, logos or
signs

Take a look at these pictures below and draw a
line to the matching colour on the right.
Point to the primary colours: blue, red and yellow.

Match colours
together

Have a look
around you. What
